

Please join us for a Hernia U Live BD lecture to discuss

# The Science of Phasix™ Mesh

Live BD lecture

Tuesday, September 22, 2020 | 7 p.m. EDT

**Presenter**

**Stephen Badylak  
DVM, PhD, MD**

Professor, Departments of  
Surgery and Bioengineering  
Deputy Director, McGowan  
Institute for Regenerative  
Medicine and University of  
Pittsburgh  
Pittsburgh, PA

**Moderator**

**Flavio Malcher  
MD, MSc, FACS**

Director Abdominal Wall Program  
Montefiore Medical Center  
and Assistant Professor of Surgery  
Albert Einstein College of Medicine  
Bronx, NY

Stephen Badylak, DVM, PhD, MD will provide a synopsis of what the McGowan Institute is doing to help confront some of the unique challenges facing surgeons in the world of complex hernia repair. Participants will receive an in-depth understanding of prosthetic materials. In addition, they will learn how materials and specific techniques can affect patient outcomes.
